"Word mean something"

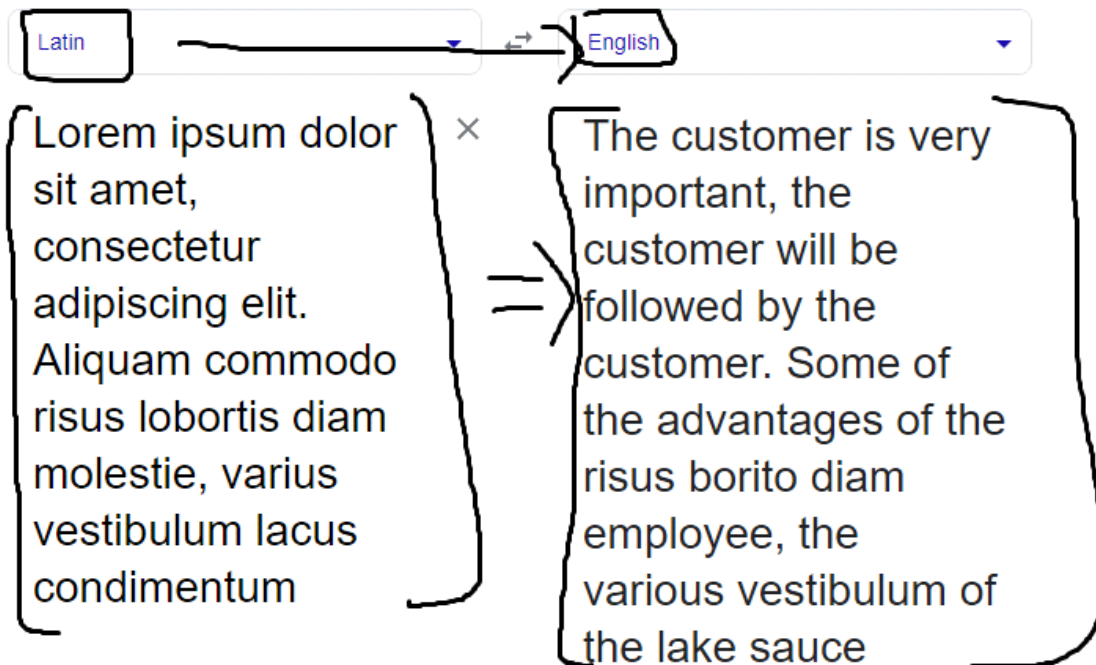

-->So, The challenge look,s like this:

Words mean something?

Lorem ipsum dolor sit amet, consectetur adipiscing elit. Aliquam commodo risus lobortis diam molestie, varius vestibulum lacus condimentum. Phasellus fringilla, leo at ornare tristique, est elit lobortis dolor, a placerat tortor eros nec elit. Suspendisse feugiat, enim ac hendrerit malesuada, libero lectus rutrum tellus, ut faucibus sem odio non nunc. Vestibulum dignissim magna et felis laoreet viverra. Integer sodales tellus molestie suscipit feugiat. Praesent quis elit tristique nisl laoreet elementum eu nec felis. Fusce nunc enim, rhoncus at metus sed, accumsan accumsan augue. Nunc venenatis tempor mi sit amet tempus. Maecenas luctus lacus mi, id pretium magna feugiat eu. Aenean euismod ante at neque rhoncus, eget dapibus nisi lacinia. Aenean vulputate risus id velit interdum vulputate. Mauris id rhoncus dolor.

-->The paragraph have some mean and then after search i get this paragraph is in Latin. So i translated it in to english. And then it look like this:

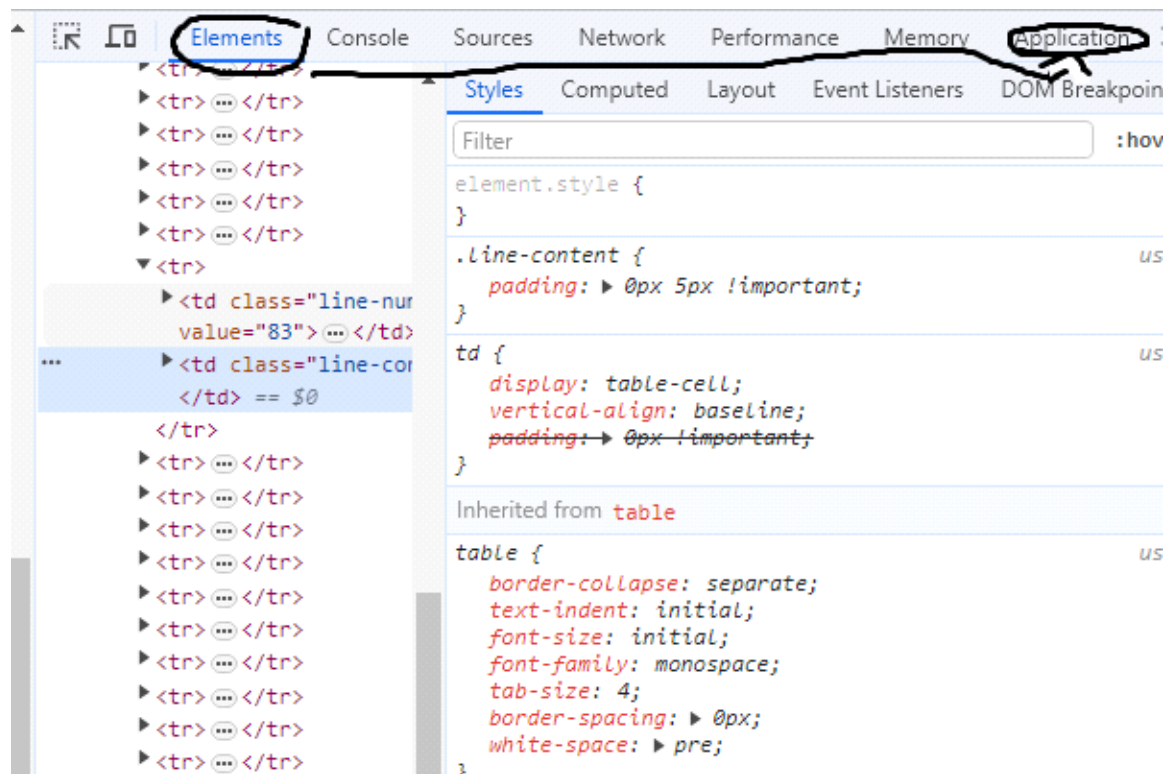

--> I get that it is somekind a distraction so i tried to see the source code.

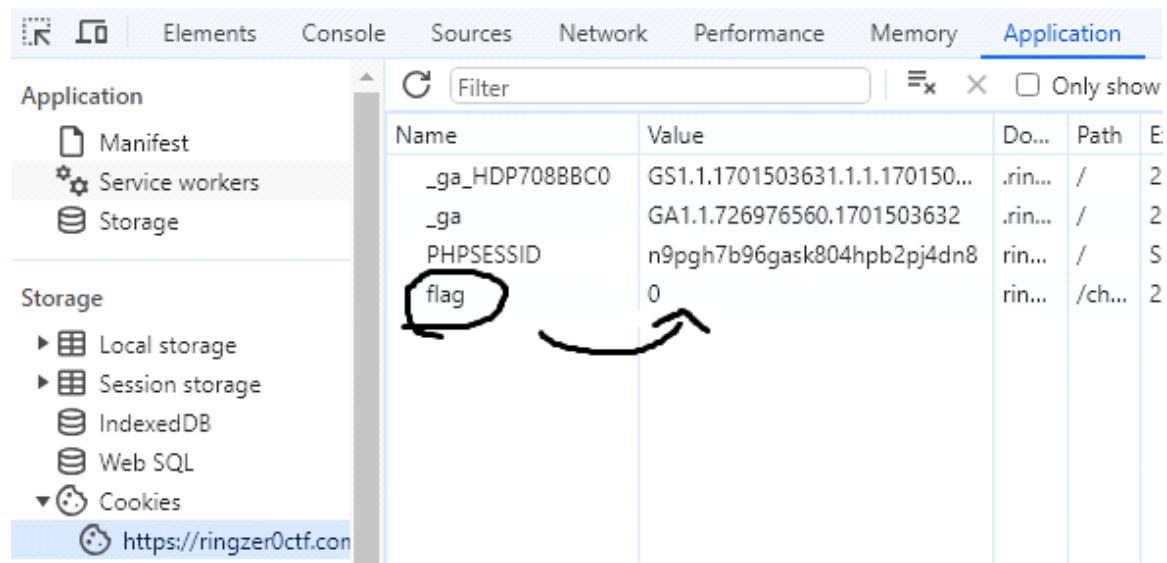

```
<hr />
<div class="challenge-wrapper">
  <br />
  Lorem ipsum dolor sit amet, consectetur adipiscing elit. Aliquam commodo risus lobortis diam molestie, varius vestibulum lac
  <br />
</div>

<hr />
<h4>Submit flag</h4>
<div class="row">
  <div class="col-md-4">
    <form action="/challenges/42" method="post">
      <br><label>Challenge flag</label>
      <input type="text" class="form-control" name="flag" placeholder="Flag" />
      <input type="hidden" name="id" value="42" />
      <input type="submit" class="btn btn-success form-control" style="margin-top: 12px" value="Submit &raquo;" />
      <input type="hidden" name="csrf" class="0f007d4042e755f0e9e7861c232e41ab" />
      <input type="hidden" name="check" value="true" />
    </form>
  </div>
</div>
```

-->This is that paragraph which is in the challenge. Then i went to inspect element and then move to the appliction.

-->Then I saw in cookies there is section of flag which has a value 0.

--> I just changed that flag value to 1.
